SINGAPORE: OUR MULTICULTURAL MOSAIC

First, let me welcome 4 new students who have joined Concord Primary School in July. They are Harith from Primary 2E, Aarush from Primary 2H, Krish and Aaraathana from Primary 2G.

As part of our National Education efforts, our school commemorated Racial Harmony Day (RHD) on 18 July. Through some fun games and activities, students were able to gain a deeper appreciation of racial

harmony, multiculturalism and social cohesion.

Birthday Celebration for the July babies

Each of the July babies was given a mask and the school came together to sing them a birthday song.

Every last Week of the month, we will come together to celebrate the students' birthday.

TOPIC 01

Racial Harmony Day

The theme for Racial Harmony Day 2022 is Singapore: Our Multicultural Mosaic, which reflects how communities in Singapore are unique but also intertwined with others to depict the cultural diversity that characterises Singapore life.

Learning Journey to The Zoo

Primary 1 students went to The Singapore Zoo. The programme aims to provide students with authentic learning experiences that will reinforce their cognitive and conceptual learning.

LEARNING JOURNEY TO THE ZOO

We can finally bring learning out of the classroom for the P1s. The students bonded and had a lot of fun together as a class!

Students learnt about animals and where they live. It is important for them to learn to conserve and co-exist with wild life.

Students also have a better understanding of the importance of taking care of the environment as it has a significant impact on the lives and welfare of animals.

Finally, we would like say a big Thank You to all the Parent Volunteers. Thank you for taking time off your busy schedule to be with students at The Zoo.
