P1 Grow Concordian Day

The latest News

----- MRS NOELLE CHONG

On 17th February 2023, Friday, the Primary 1 and 2 gathered at the hall to celebrate P1 Grow Concordian Day.

Students got to watch a video capturing what they have done these 2 months. Each class is then invited onto the stage to receive a Graduation bear from the teachers. We clapped and cheered for their success. They then posed and took a class photo with their form teacher.

We would like to thank all parents for the effort and time you have put in to ensure that your child transit from Kindergarten to Primary School seamlessly. We hoped that you like the little gratitude card we have put together for you.

Tokens given to every Primary 1 students

In these 2 months, students are able move around the school independently. They are familiar with the school and routines put in place for them. All our Primary 1 students will have friends by now and is learning to foster good relationship with them.

It is a joy in the morning, watching students walking into school happily and all ready for school.

Tip to prepare students emotionally and physically:

Set a good sleeping Routine. Practice waking up early so students are prepared for school hours. This will discipline them to have a good sleeping pattern.
