Term 2 Week 3

8 April 2022

Dear Parents,
Greetings!

Due to the relaxation of Safe Management Measures (SMM), the school has kick start unstructured play during recess time. Classes are scheduled to play after they have taken their meals. Students were exceptionally thrilled with the reintroduction of playtime. They were playing enthusiastically with their peers using frisbees and softballs. Students were also allowed to mask-off during the outdoor play.

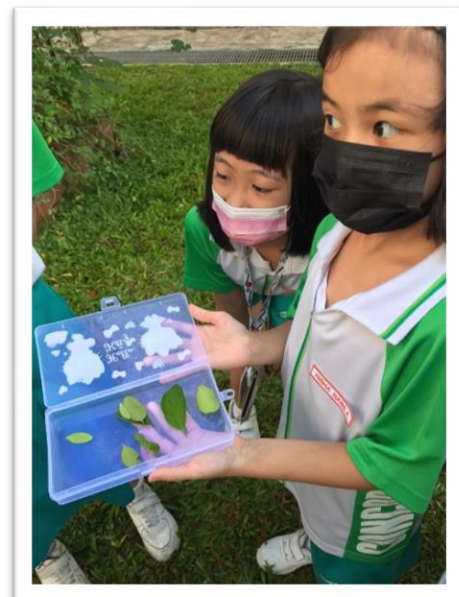

Students playing during Unstructured Play

Recently, the Primary Two students read the STELLAR big book – A Butterfly is Born. Students were fascinated observing-by the gradual growth of the caterpillar to its pupa stage and eventually to a full-grown butterfly. Their involvement in the growth of the caterpillars sparked much discussion and learning.

The caterpillar stage of growth

Students looking for caterpillars in the school garden

These interesting lessons and experiences ignite the joy of learning for the students! We look forward to conduct more of such interactive lessons regularly.

See you next time!
