Year Head (Lower Primary)

I would like to begin term 3 by welcoming Adelia and Ethan who have joined us in Concord Primary School in April and June respectively. Do show them around the school and make them feel at home.

Let me introduce myself. I am Mrs Noelle Chong, Lower Primary Year Head. I have been teaching for 18 years and was a Year Head in the previous school for 6 years. I am

currently teaching Primary 1D and 1G Mathematics.

As a Year Head, I work closely with the Level Teachers and parents to provide strong socio-emotional support for the students in Concord Primary School.

I look forward to a meaningful and fruitful year ahead as we work together to help your child / ward learn well in school.

June Babies Birthday Celebration

Further easing of Safe Management Measures allows us to once again, come together in the hall to celebrate the Birthdays of our students.

We would also like to thank Mdm Zarinah for taking very good care of the Primary 1 and Primary 2 students for the past 1.5 years. She will be away on Management and Leadership in Schools Course (MLS) starting mid July. Wish her all the best and we will see her back in School in November.

MODIFIED LEARNING EXPERIENCE APPROACH

Learning Outcome:

Write a recount of my experience in carrying out experiments with a magnet.
