Term 1 Week 10

6 March 2023

Dear Parents,

Greetings! As we enter into Week 10 of Term 1, we hope that the past weeks have been filled with moments of success, growth and learning! March Holidays is a timely break for our students to consolidate their learning and take this opportunity to spend some meaningful time together as a family and forge closer bonds.

Every term, the teachers would affirm and recognise students for their exemplary behaviour. In this issue, we will be highlighting some of the students that have been affirmed by their form or subject teachers for displaying good core values and leadership qualities. Well done, Concordians!

1. Students in the Spotlight

2023 Term 1 Outstanding Classroom Leader

Name: MOHAMED FAYYADH BIN MOHAMED EFFENDI
 Class: 5B
 Nominated By: Ms Maslina
 Leadership Role: Class Monitor
 Description:
 Fayyadh readily took on this role as a Class Monitor. He tries his very best in carrying out his roles and responsibility well as a Class Monitor. He listens to the feedback given to him to improve himself in the discharge of his duties. He dutifully records the absentees' names on the whiteboard daily. Keep up the good work, Fayyadh!

2. P6 Science Lesson

During one of the Science lessons on energy, our P6 students had to conduct two experiments. One experiment requires them to measure the extent of depression caused by balls falling into sand. The other experiment requires students to shoot erasers from different positions using a rubber band to see how far these erasers can go.

Through hands-on activities and inquiry-based learning, students will be able to explore scientific concepts and develop critical thinking skills. By conducting experiments, students can gather evidence, ask questions, and test hypotheses, all while developing important scientific skills such as analysis, and interpretation.

We hope you have a wonderful break, filled with fun and relaxation, and we look forward to welcoming you back in Term 2. Remember to keep reading, keep exploring, and keep learning – every day is an opportunity to discover something new!
