Term 3 Week 5

24th July 2024

Dear Parents,

We are thrilled to share with you some of the amazing activities that have been conducted for our Primary 5 and Primary 6 students recently. In this issue, we are highlighting 2 memorable events that our Upper Primary students were part of in Term 3.

Equipped with their NDP fun packs, NE show clappers and their Singapore flag, our P5 students attended the NE show that took place in Week 3 and had a whale of a time celebrating alongside their classmates.

To get our Primary 6 students ready for PSLE, we have organised the P6 Motivational Day that aimed to encourage them in their preparation for PSLE and taught them the important value of staying resilient in the face of challenges.

1. Primary 5 NE Show

On 13th July 2024, our Primary 5 students had the opportunity to watch the NE show that was happening at the Padang. The theme for this year's national day parade is "Together, As One United People" where Singaporeans were called upon to look forward confidently and move onwards together in building our shared future as one united people.

The students were audience to a spectacular show of fireworks, military mobile columns, and a nostalgic session of community sing-along for new and old NDP songs. Our nation's rich story and history were also presented in a breath-taking series of performances. This allows our P5 students to understand how Singapore has come thus far.

We hope that the NE show has taught our P5 cohort valuable lessons enriched in Singaporean culture and history as they keep the flame of our national identity and values burning brightly.

2. P6 Motivational Day

Our graduating cohort received a morale boost from our Upper Primary Year Head and Assistant Year Head on the annual P6 Motivational Day. The Primary 6 students engaged in a level wide game where they worked in teams to complete the given task. The condition to win the game was for all the teams to finish their given task in a stipulated time frame.

Students learnt to trust and help one another to win the game collectively as a cohort. We hope that our students can apply the lessons learnt as they continue their journey to prepare for their PSLE examinations.

Parents also sent in their well wishes for the cohort and left our students with words of encouragement and wisdom to prepare them for the final exam of their primary school journey. We will be featuring some of these messages in the next newsletter.

All the staff and students of Concord Primary will be firmly behind our graduating students as they cross the finishing line. All the best for PSLE our dear Primary 6 students! We will be here cheering you on!

From the desk of:

Mr Kumaran V (Year Head, Upper Primary)

Mr See Kai Wen (Assistant Year Head, Upper Primary)
